Re: Recognition of Santa Fe County Employee of the Quarter, 2nd Quarter Awards

The purpose of the Employee of the Quarter Program is to recognize employees who make a significant contribution to Santa Fe County during the previous three (3) month period. The significant contribution may include providing excellent service to customers, developing and implementing new programs which will benefit the overall organization, for providing exemplary performance to Santa Fe County in their daily job performance, demonstrating a willingness to work above and beyond the call of duty or another contribution which the nominator believes to be. Each Recognition Team selects one (1) Department/Elected Office Employee of the Quarter for their team. These five (5) Department/Elected Office Employees of the Quarter are automatically considered for the countywide Employee of the Quarter process.

The five employees selected for the second quarter are as follows:

Group	Employee Name	Title	Hire Date	Comments
Public Safety	Lorie Schonrock	Accountant	05/07/1990	Lorie went above and beyond her normal responsibilities as the lead employee of the Ambulance Billing Division by mentoring her peers, both in Fire Administration and the Field Staff regarding ambulance billing procedures, medical documentation guidelines, rules and regulations concerning insurance related to ambulance billing at both state and federal levels.
Community Service	Patricia Boies	Health Services Division Director	10/11/2012	Patricia's work should be recognized for both excellence and precision. Over the past three months she has had a series of accomplishments including the new Health Care Assistance Fund for the

				County and increased focus on the agency's ability to focus their work on specific County priorities as outlined in the Santa Fe County Health Action Plan.
Sheriff	Ronnie Viarreal	Sheriff Deputy III	09/03/2002	Ronnie consistently took on additional responsibilities as needed as well as additional duties. He is considered to be an expert in his field and is regularly called upon by other Deputies and Commanders for advice on the civil service.
Support Services	Diane Salazar	Payroll Specialist Lead	10/27/2011	Diane took the lead to ensure that payroll continued to be processed accurately and timely when the office was short staffed. She also took personal accountability, ensuring that all payroll functions were completed, as well as assuming responsibilities not normally assigned to her. Diane has also worked many extra hours during payroll processing weeks to make sure payroll is completed in the time period required.
Public Works	Phillip Montano	Property Control Section Supervisor	10/01/2002	Phillip did a great job managing the Property Control staff that maintains over 860,000 square feet of County facilities. Due to his management style and skill set, productivity within the Property Control staff was sustained at a high level. He has seamlessly and effectively supported the Project Delivery Division on several high visibility projects.

The winner will be announced during the Board of County Commission Meeting. The county-wide employee of the quarter selection for the 2nd quarter of 2015 is Diane Salazar.
